Research Grants, Contracts, and Awards (Funded)

University of Wisconsin-Extension Mobile Learning Portal (UWEX MLP). (2013). (**Principal Investigator**). University of Wisconsin-Extension Infusing Technology Fund project grant. Award: \$20,000.

SCORM 2004 4th Edition: A process for certification. (2013). (**Principal Investigator**). U.S. Department of Defense Advanced Distributed Learning subcontract through Katmai Corporation. Award \$42,000.

MASLO: Mobile Access to Supplemental Learning Objects. (2011-2012). (**Principal Investigator**) U.S. Department of Defense Advanced Distributed Learning Initiative Broad Agency Announcement (BAA) Research Contract. Award: \$308,000.

Developing Revu4u: A mobile application for test preparation. (2009-2010). (**Principal Investigator**). Florida Virtual School research and development contract. 2009-2010 Award: \$38,000.

Advanced SCORM courseware development and supporting activities for ADL. (2009-2010). (**Project Director**) U.S. Department of Defense Advanced Distributed Learning (ADL) Initiative research subcontract: 2009-2010. Award: \$150,000

Development of a SCORM interface for first-responder live training. Small Business Innovation Research (SBIR) Phase II sub-award with Equipment Simulations, Inc. 2008-2009. Award: \$50,000.

Florida Virtual School/Academic Advanced Distributed Learning research and consulting contract. (2008-2009). (**Project Director**). Award: \$300,000.

Modular courseware design and development for Algebra Readiness. (2007-2008). (**Project Director**) Florida Virtual School research and development contract: 2007-2008. Award: \$48,000.

Research Grants, Contracts, and Awards (Pending or Submitted)

Extending the MASLO codebase for location awareness. (2013/2014 Contract pending).
(**Principal Investigator**) Combating Terrorism Office, U.S. Department of Defense.
Requested/Pending \$200,000.

Research Grants, Contracts, and Awards (Not Funded)

Personal Assistant for Learning: Handling Engine for Learner-specific Processing
Recommendations (PAL HELPR). (2013). (**Principal Investigator**). U.S. Department of
Defense Advanced Distributed Learning Broad Agency Announcement. Requested: \$352,440.

Personalized mobile learning: Extending the MASLO codebase for spaced learning, location
awareness, and next generation SCORM. (2012). (**Principal Investigator**). U.S. Department of
Defense Advanced Distributed Learning Broad Agency Announcement: Requested: \$343,476

mSLOT: Mobile Supplemental Learning Objects Technology. (2011). (**Co-PI with Moses
Wolfenstein Academic ADL Lab**). National Science Foundation Cyberlearning: Transforming
Education Grant. Requested: 546,587.

UW System eCampus: Partnerships for adult degree completion. (2010). (**Project Director**).
Lumina Foundation. Requested: \$800,000

The NSDL backpack: The learner pathway. (2010). (**Co-PI with SREB Director Myk Garn**).
National Science Foundation National Science Digital Library Grant. Requested: \$ 2,000,000
Note: SREB Partially funded \$200,000 for evaluation/feasibility study. Served as advisory panel
member for this part of the project.

Climate Heroes Educational Video Game. (2008). (**Principal Investigator**). NASA Global
Climate Change Education Grant. Requested: \$495,149
